

ETFE AWG20 (1tp) RU UL 1643 150°C 300V

Construction

- Construction: Fp-AWG20 (1tp)
- Conductor: AWG 20 (1x0,81mm) tin plated copper
- Insulation material: Fp-ETFE
- Diameter: (1,55±0,05)mm

Technical Datas

- Resistance at 20°C: max. 36,7 Ohm/km
- Operating voltage: 300V
- Test voltage: 3,0kV core
- Temperature range: from -100°C up to +150°C

Cable according to EU- 2011/65/EU (RoHS)

Article-Number: 5627201510
