

FEP tp, AWG 10/37, 1000V, +200°C

Construction

- | | |
|------------------------|--|
| • Conductor: | AWG 10/37 (37x0,43mm), Tin plated copper |
| • Insulation material: | FEP, wall thickness 0,60 mm |
| • outer diameter: | 4,20 +/- 0,10 mm |

Technical Data

- | | |
|----------------------|--------|
| • Rated temperature: | 200°C |
| • Rated voltage: | 1000 V |
| • Test voltage: | 3000 V |
