

SIZ-Cu tp 2x1,5qmm 300/500V

Construction

- Conductor: Flexible tin plated copper conductor
class 5 CEI EN 60228
- Nominal conductor construction: 30x 0,25 mm
- Nominal cable diameter: 5,6 x 2,8 +/- 0,2 mm
- Average sheath thickness: 0,6 mm
- Minimum sheath thickness: 0,44 mm
- Insulation Compound: Silicone Rubber
- Jacket Colour: blue

Technical Data

- voltage rating: 300/500 V
- Temperature rating: -60°C to +180°C
- max conductor resistance at 20°C: 13,7 Ohm/km

Article Number: 8200021508
