

PTFE AWG26/19 UL 1180 VW-1

Construction

- Conductor: silver plated copper (19x0,11mm) max. 0,53mm
- Insulation: PTFE
- Outer diameter: (1,17 + 1,25)mm

Technical Data

- resistance at 20°C: max. 122,38 Ω /km
- Test Voltage (Urms): 3,0 kV AC (Sparktest)
- Operating Voltage(Urms): 300 V AC
- Weight: 4,0 kg/km
- Bending radius: 7,5 x D (feste Verlegung); 15x D (freie Bewegung)
- Temperature range: from -190°C up to +200°C

Characteristics

- Cable according to 2015/863/EU(RoHS) and 1907/2006/EG (REACH)
- Printed according to UL
- Produced under our E-File number E472542

Article-No. 72906269XX (XX - Colorcode)
