

PTFE 2,5mm²/19sp, 1000V, +200°C

Construction

- Conductor: Silver plated copper (19 x 0,404mm), max. 2,1mm
- Insulation: TE-100 (2,95 +/- 0,05mm)

Technical Data

- Operating voltage (U rms): 1,0kV AC
- Test voltage (U rms): 5,0 kV AC (Sparktest)
- Resistance at 20°C: max. 7,44 Ω/km
- Weight: 31,3 kg/km
- Bending radius: 7,5 x D (fixed installation)
15 x D (free movement)
- Temperature range: -190°C to +200°C
Jacket temperature: up to +260°C

Our stock number: 549025001
